Gail,

I think either time could work for us, but Wed might be better.

Hi Ken, Gordon,

The EPA/OAQPS modelers would like to schedule a time to talk with you about technical aspects of your 179B modeling. Would you have time next week on Wednesday at 10 am MDT or Thursday at 1:30 pm MDT? If those times don't work, I can look for a time in the following weeks.

Thanks,

Gail
